Good value toilet

Very straightforward and easy to fit. Looks fine and is fairly compact so ideal for a small room. The seat provided is ok as a temporary one to get you going, but very flexible - you can feel it bending as you sit down!

Melbourne ceramic close coupled modern toilet

We were very pleased with our toilet, just felt the toilet seat was a little flimsy, but your service was brilliant as we had a broken loo, that was sorted out easily and quickly. Your carrier was a little short he wouldn't let us check for damages before we signed he said it wasn't allowed. We would definitely deal with you again....excellent customer service.....excluding the carrier!

Fitted but not plumed in yet

Looks nice but not plumbed in so can't comment on performance. Seat & lid are cheap and nasty.
