Good to know

For use at table height: Fix the table to the wall so that the top edge of the table top reaches a height of ca. 74 cm.

For use at bar table height: Fix the table to the wall so that the top edge of the table top reaches a height of ca. 95 or 106 cm, depending on seat height of bar chair.

For maximum quality, re-tighten the screws when necessary.

Different wall materials require different types of fixing devices. Use fixing devices suitable for the walls in your home, sold separately.

Combines with other furniture in the BJURSTA series.

Seats 2.
